This schedule is used to report those receipts that are not "contributions"; that is, monies paid to the campaign that are not given for the purpose of supporting, opposing or otherwise influencing the nomination or election of a candidate to public office. Examples include interest or investment income. Receipts should be reported on this schedule only if they have not been reported elsewhere in this report. SCHEDULE E-1: EXPENDITURES

Use this schedule to report information on all campaign expenditures for this reporting period. An "expenditure" is any payment made for the purpose of supporting your election to public office and includes monies spent for the campaign's general operating expenses. Any payments made that are not "expenditures" should be reported on SCHEDULE E-2: OTHER DISBURSEMENTS. Totals and subtotals at bottom of page are *optional*. Contributions received by a candidate may be expended for any lawful purpose, but shall not be used for any personal use unrelated to a political campaign or the holding of public office or party position. (R.S. 18:1505.21.) Each expenditure should include the name of the recipient of the funds, the complete address of the recipient, the date of the expenditure, the amount and a description detailing the purpose of the expenditure. Completion of totals and subtotals may assist in calculating totals that must be reported on the Summary Page.
